Local Indent No. 12908—Enquiry No. 11420.

Supply of Electric Lamps for the several departments of Government during 1953-54.

Gentlemen,

No. S.P.C. 13974. With reference to your quotation No. 13625, dated 26th February 1953 and Letters No. 365 dated 9th April 1953 and 2383, dated 15th June 1953, received in response to the above enquiry, I write to request you to enter order for the Electric Lamps described in the attached schedules, I to IV at the prices specified against the respective items and arrange to make supplies on receipt of indents for the same from the several departments of Government.

This order will be subject to the following conditions:—

1. The contract will be in force up to 31st March 1954. Supplies, if any, made to the departments from 1st April 1953, when the lost contract expired will also be billed at the rates accepted in this order. If during the currency of the contract there should be any reduction in prices of electric lamps owing to the reduction in the cost of raw materials and labour, we should be entitled to the benefit of such reduction.

2. The number of lamps to be purchased under the contract will depend on the requirements of the Departments. The contract should be deemed to be limited to the actual quantities indented for.

3. All indents from the departments should be complied with within a week from the date of receipt. In the case of large orders when due to want of stock the lamps have to be manufactured, an extension of time up to one month from the date of receipt of indent will be allowed in order to complete the supply.

4. The lamps should conform to the specifications given with the enquiry and the schedule and to the latest B.S.S. as regards quality and efficiency. Supplies not conforming to specifications will be liable to rejection at your risk and cost.

5. The useful burning life of the lamps up to an average of 1,000 hours should be guaranteed. If the life of the lamps falls below this limit, you should be prepared to accept a proportionate reduction in price or supply sufficient nnmber of lamps to make up the shortage in life.

6. The lamps should be supplied in sound condition, breakages if any, should be made good, free of cost, to us.

7. The lamps to be supplied should be branded with the words "MYS. GOVT." 1953-54.

8. The Stores Purchase Committee reserve the right to get sample of the lamps supplied by you tested from time to time for determining their life and efficiency. The cost of such tests will have to be borne by you. The results of such tests will be made applicable to the entire lot of lamps supplied on a particular order.

9. In the event of delay in making supplies or failure to execute the contract satisfactorily, the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of the lamps elsewhere debiting the extra cost incurred thereby to you. In such an event, they also reserve the right to levy a penalty of three per cent of the value of the order as and by way of liquidated damages.

10. Bill of cost should be sent to the Indenting Officers for payment.

11. The above local indent number should be quoted in all correspondence relating to this order.

12. The *pro-forma* monthly statements, A and B should be sent in the form furnished below:—
